Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of McCrory Sewer Line Project in Fiscal Year 2027. The entity to receive funding for this project is the City of McCrory, Arkansas, located at 114 East Kimberly Drive, McCrory, Arkansas 72101. The funding would be used to install a new force main sewer line of 1800 ft to the city's current infrastructure. By providing proper pressurization, this updated pipeline will help reduce the strain on the pump. The project is an appropriate use of taxpayer funds because it would prevent grocery stores and other local business storefronts from future flooding events and enduring excessive loss and damage.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rep. Eric A. "Rick" Crawford (AR-01)
Member of Congress
