Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the West Memphis I-40 Megasite Infrastructure Improvement Plan in Fiscal Year 2027. The entity to receive funding for this project is the Arkansas Department of Transportation located at 10324 Interstate 30, Little Rock, AR 72209. The funding would be used to conduct transformational improvements to necessary road and site access infrastructure along the corridor. The project is an appropriate use of taxpayer funds because it will create the necessary accommodation for up to 6,000 employees travelling through the facility in West Memphis and significantly reduce the overall amount of congestion and wear on the existing infrastructure.

This project has a federal nexus because the funding provided is for purposes authorized in 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rep. Eric A. "Rick" Crawford (AR-01)  
Member of Congress
