MILITARY SERVICE ACADEMY NIGHT

Congressman Rick Crawford is hosting his annual military service academy session and invites you to attend and learn more about the opportunities available. Our military service academies are looking for talented young people with an interest in serving their country.

This session will inform students, parents, principals, and guidance counselors about the free college education opportunities offered by the service academies and the Arkansas State University ROTC college scholarship program. Representatives from each will be presenting valuable information regarding their schools' benefits, requirements, and guidelines for the admissions process.
